Hey Goel,

Hope you're doing great!

Just a heads up from our chat last Friday:

- I've attached the presentation materials for you to check out.
- Your trial account on Uptale is all set up and should be good to go until the 3rd of January. You'll find an email from Uptale with all the login details. If you need any help or have questions, feel free to dive into our [academy](#) or just hit me up.

Also, I've penciled in a time for us to have a quick catch-up after your trial. Let me know if that time works for you or if we need to reschedule.

Have an awesome day ahead!

Hi Goel,

Hope things are going well with you.

Just wanted to check in and see if you've had a chance to try out our platform. Remember, your trial period is good until February 3rd, and we can't extend it past that.

Also, is the time we set for our debrief call on Friday still good for you?

Thanks a bunch for letting me know.

Best

Yes, I tried out the platform, and the time you set is good. I will also be having two teachers join me in the meeting, and I have added them to the Google Calendar invite.
