Hi, Martin

I appreciate you meeting with us and informing us about Uptale. Sorry for being distracted during the meeting as I was driving.

And thanks again for helping Tanay and giving him an additional 1-month subscription to his free trial. It will be put to good use!

Tanay will showcase his Uptale project with some teachers and students at our school during the trial. I am hopeful that after his showcase it will generate excitement and engagement around the VR headsets at our school, leading to an interest in an Uptale subscription for the 24-25 school year. I will be in touch with you after Tanay shows his work within the community.

Cheers,

--- Elegan

Hello Elegan and Tanay,

Thanks for getting in touch, and I'm really excited about the opportunity to collaborate with the school. I'm confident Tanay will create a fantastic demo that will spark plenty of inspiration and enthusiasm!

@Tanay Goel– Just to confirm, I've extended your trial account until April 5th. If you have any questions or need assistance, please don't hesitate to reach out.

Wishing you both a wonderful day ahead,

Best regards,

Martin Sebban
